**ABOUT ME** 

Groups

I am thirteen years old. I have blond, longer hair. I think I look like my mom. I love to laugh and I am mostly in a good mood.

Distance learning is not OK for me. I prefer going to school.

MY FAMILY

Videos

I have two brothers. Svit is ten years old and attends the fifth grade. The youngest Anže started attending the first grade this year. My mom works in the largest casino in Europe. She is employed in one of the restaurants where they have guests from all over the world. Tomaž is employed at the Soča power plants. He only works from Monday to Friday, except when he is on duty. Mom is also at work at the weekends.

## **OUT OF SCHOOL**

I spend my free time outside. We have rabbits and chickens in Doblar where we live. So I spend a lot of time with them. I also love helping my mother and Tomaž with various tasks. I spend most of my weekends with my grandmother, where they have a large farm. I also have a dog there that my mom bought me. Her name is Brina. In short...my free time and my life is nature and animals.

## MY FAVORITES

Movies: I really like watching The walking dead, because my favorite actor Norman Mark Reedus plays in it. But every day I have to watch the show incredible dr. Pool. Of course, animals again...

Music: I don't listen to music

Books: I really enjoy reading all the books. But I like to browse through and read books about animals.

## **MEMORIES**

I have many memories. The most beautiful are the ones I spent with my grandfather. I miss him!!!!

## **VACATIONS**

My most beautiful vacation was last year when we were in Spina. I spent the whole days on the pier where I caught fish.
